Swirls of Color Jacket

Combine new Freemotion Couching Foot #43 with embroidered outline quilting designs and create striking designs to embellish a variety of projects. Use Foot #43 instead of the usual embroidery foot (#15 or #26) and couch during the embroidery process...it's a one-step wonder!

Materials

- BERNINA® embroidery system
- "Quilting Inspirations" by Keryn Emmerson embroidery collection
- Freemotion Couching Foot #43
- Purchased Jacket
- "Frieze" Designer Thread by Quilters' Resource
- Clear monofilament thread
- HRFive temporary spray adhesive
- Aqua Mesh stabilizer

Directions

- Set up the machine for embroidery using monofilament thread.
- Attach Freemotion Couching Foot #43 in place of the usual embroidery foot #15 or #26.
- Insert Designer Thread (Frieze) into the couching foot according to instructions included with the foot.
- Select desired outline quilting designs; sample uses "Quilting Inspirations" motifs #42 (cuffs), #51 (back yoke), and #54 (front yokes).
- Hoop Aqua Mesh; adhere jacket parts to it using HRFive adhesive.
- Embroider designs as desired.
- After stitching, remove stabilizer using a damp washcloth.
