# Designing a T-Shirt

by

Debbi Lashbrook

Join Debbi as she walks you through the basic process of designing a unique and personalized T-shirt using the My Label software. See just how easy it is to change the Style properties, Piece properties, Fabric properties and even add Embroidery to your t-shirt.

Click on the link below to view the step-by-step video:

*(Note: please be patient as the video downloads – it is ~ 16MB)*
